Heroes of Empire Edward Berenson 2012-02  
Presents a history of the exploration of Africa between 1870 and 1914 by British and French explorers and argues that these men transformed the imperial steeplechase of those years into a powerful heroic moment.

*French Ruled Notebook* Moito Publishing  
2017-10-30 Are you interested in spending some time on your handwriting? Then French ruled paper, or Seyes ruled paper, could be something to help you out. French ruled or Seyes paper is the standard lined paper used by students in France, as commonly used as college ruled paper in the USA. Not only useful for French cursive, it is an excellent tool for anyone to learn cursive writing, to improve their handwriting or practice calligraphy using the lines to help get a consistent size. It features an 8mm x 8mm grid, with lighter or thinner horizontal lines spaced 2mm apart inside the main grid. These thin lines help you keep the size and height of your letters consistent. There are also room at the top and bottom of the pages for notes or teacher's comments and a margin on the left marked with a vertical main line. It is a very interesting paper on its own but here are reasons why you should choose our French-ruled notebook: **VERSATILE USE** - Popular for regular writing and note taking, French-ruled has a lot more of uses. Some people use this paper to record lab results, do bookkeeping, create matrices, as well as creating grading rubrics. It can also be used for creating crossword or sudoku puzzles, or maybe even for practicing Chinese or Korean writing. Others use it simply because they love paper with narrow lines. **USEFUL & CONVENIENT** - You can't beat a book like this. It doesn't need batteries, doesn't take you time to log in and you can take it with you even when commuting. **A NOTEBOOK BUILT TO LAST**- The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. **WELL-CRAFTED INTERIOR**- A good writing paper does not bleed. We used only thick, white paper to avoid ink bleed-through. Each page is printed with black, thick lines and three thin lines in between each. **PERFECT SIZE**- With its 8.5" x 11" dimensions, almost the same width as A4 but shorter in height, you can squeeze it into a bag with ease. It's the perfect size- easy to carry! **COOL COVERS!**- To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. We stand for quality and aim to provide the best writing experience with our notebooks. Get this notebook, not only for practicing

penmanship and writing in general but also for basic graphing, logging, data keeping and many more. Think outside the lines and give it a try to see why so many people love it!

*A Hero's Daughter* Andreï Makine 2003-08-29  
Set in the Soviet Union from World War II until the early 1990s, *A Hero's Daughter* portrays the rise and decline of the Soviet Union through the story of Ivan Dimitrovich Davidov and his family. For his extraordinary bravery and courage beyond the call of duty at the Battle of Stalingrad, Ivan is awarded his country's highest military honor: Hero of the Soviet Union. Married after the war to Tatyana, the medical orderly who found him barely breathing amid a pile of corpses after another apocalyptic battle late in the war, they have a daughter, Olya, who grows up in the glow of her father's reputation. In 1980, the beautiful Olya, now seventeen, assigned as an interpreter during the 1980 Moscow Olympic Games, commits an indiscretion with a French athlete, and throws her straight into the waiting arms of the KGB. As the years roll by, Olya, more and more deeply implicated in espionage, despairs at her fates as a "political prostitute," while her father, equally used by the State, becomes increasingly disillusioned and unruly, until he is arrested for drunken and disorderly conduct. Finally the lives of father and daughter intersect in an utterly moving and heartrending conclusion. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Shakespeare through Letters David M. Bergeron  
2020-10-15 In Shakespeare through Letters, David M. Bergeron analyzes the letters found within Shakespeare's comedies, histories, and tragedies, arguing that the letters offer the principal intertextual element in the plays as text in their own right. Bergeron posits that Shakespeare's theater itself exists at the intersection of oral and textual culture, which the letters also exhibit as they represent writing, reading, and interpretation in a way that audiences would be familiar with, in contrast with the illustrious culture of kings, queens, and warriors. This book demonstrates that the letters, profound or perfunctory, constitute texts

that warrant interpretation even as they remain material stage props, impacting narrative development, revealing character, and enhancing the play's tone. Scholars of literature, theater, and history will find this book particularly useful.

Heroes Are Born in April Nouchy Publishing 2021-03-06 Heroes Are Born in april: Writing and Drawing Journal Need something to recognize that little hero in your life? This writing and drawing journal for kids is perfect for celebrating a birth month of april. A birthday can be a special time for personal growth and development. As a present for somebody special that was born in the month of april, a notebook is a perfect item for self-expression. This notebook features lined pages & drawing pages in one (each page is a half-page of lined paper with a drawing space above) As a place to jot down some notes for school, draw some cool doodles, journaling, or taking notes, this Notebook / Drawing Journal is ideal for children that are 7, 8, or 9 year olds, however, it also perfectly suitable for younger or older age groups as well. This is a very fun age bracket. This is when creativity really starts to flourish for kids. Both girls and boys like to create stories, draw pictures, come up with comics and even write poetry as a way to reflect on who they are. Whether an upcoming birthday is a milestone event or another wonderful year gone by, choosing a writing and drawing sketchbook is a very fun and unique gift idea. There are many people who believe that the month of your birth really determines the type of person you are. Depending on how the stars and planets aligned during a person's birth can predispose someone for being artistic, mathematical, caring, nurturing, introverted, extroverted or intuitive.
