CRAZY MOUNTAIN KISS Keith McCafferty 2015-06-09 Winner of the Spur Award for Best Western Contemporary Novel in the fourth novel in the acclaimed Sean Stranahan mystery series, Pi Stranahan and Sheriff Ettinger reunite to investigate a teenage girl's death. Cold Hearted River, the sixth in the series, is now available. Spring snow still clings to the teeth of Montana's Crazy Mountains when an unsuspecting member of the Madison River Liars and Fly Tiers Club discovers a Santa hat in the fireplace ashes of his rented cabin. Climbing to the roof to see what's clogging the flue, he's shocked to find the body of a teenage girl wedged into the chimney. A rodeo belt buckle identifies the recently deceased victim as Cinderella "Cindy" Huntington, a rising rodeo star. Hyalite County Sheriff Martha Ettinger has been hunting for the girl since she went missing the previous November. Was Cindy murdered? Or was she running for her life—and if so, from whom? Suspicion falls on a buckskin-clad mountain man who calls himself Bear Paw Bill. But Etta Huntington, Cindy's high-strung mother, herself a famous horsewoman, thinks the evil might lie closer to home. She hires fly-fishing guide and private detective Sean Stranahan to find the answers. Setting aside their after-hours relationship, Sean and Martha find themselves deep in an investigation that grows to involve a high-altitude sex club, a lost diary, cave pictographs, and the legends of the Crazy Mountains. With his signature wit and wry humor, McCafferty writes a pitch-perfect mystery that is as haunting as the crazies.

THE UNHARNESSED WORLD Cindy Gabrielle 2015-06-18 Though New Zealand author Janet Frame (1924-2004) lived at a time of growing dissatisfaction with European cultural models, and though her (auto-)biography, fiction and letters all testify to the fact that a direct encounter between herself and Buddhism occurred, her work has, so far, never been examined from the vantage point of its indebtedness to Buddhism. It is of the utmost significance, however, that a Buddhist navigation of Frame's texts should shed fresh light on large segments of the Framean corpus which have tended to remain obdurately mysterious. This includes passages centering on such themes as the existence of a non-dual world or a character's sudden embrace of a non-ego-like self. Of equal significance is the conclusion one then draws that this unharnessed world which human beings are often unable to embrace has always been right under their nose, for, whenever the aspect of the intellect that filters perceptions into mutually excluding categories fails to function, he or she finds a place of subjective arrival in, and sees, this supposedly unknowable 'beyond'. Thus, possibly against the grain of mainstream criticism, this study argues that Janet Frame constantly seeks ways through which the infinite and the Other can be approached, though not corrupted, by the perceiving self, and that she found in the Buddhist epistemology a pathway towards evoking such alterity.

A SEASON FOR TENDING Cindy Woodsmall 2012-09-18 In a community where conformity flourishes, seeds of Rhoda's odd behavior were planted long ago. Can she cultivate her relationships with the same care and tenderness that she gives her beloved garden? Old Order Amish Rhoda Byler's unusual gift and her remarkable abilities to grow herbs and berries have caused many to think her odd. As rumors mount that Rhoda's "gift" is a detriment to the community, she chooses isolation, spending her time in her fruit garden and on her thriving canning business. Miles away in Harvest Mills, Samuel King struggles to keep his family's apple orchard profitable. As the eldest son, Samuel farms with his brothers, the irrepressible Jacob and Brash Eli, while his longtime girlfriend Catherine remains hopeful that Samuel will marry her when he feels financially stable. Meanwhile, Samuel's younger sister Leah is testing all the boundaries during her rumschpringe, and finds herself far from home in Rhoda's garden after a night of partying gone badly. But Leah's poor choices serve as a bridge between Rhoda and the King family when a tragic mistake in the orchard leaves Samuel searching for solutions. Rhoda's expertise in canning could be the answer, but she struggles with guilt over the tragic death of her sister and doesn't trust herself outside her garden walls. As the lines between business, love, and family begin to blur, can Rhoda finally open up to a new life? And what effect will this odd, amazing woman have on the entire King family?
