**One Perfect Touch** Layla Hagen 2020-07-06 In business circles, I'm known for being cutthroat and demanding. Robert Dumont is a hardass, they say. And it's true. I thrive on challenges. Taking the family-owned restaurant chain to the next level is my passion. When my sister's marriage implodes, I head back to New York, to be there for her and my niece. These are my only two priorities: growing the business and taking care of my family. My new neighbor is a temptation I hadn't counted on. Skye Winchester is bold, sensual and I just can't keep my distance. I'm determined to make her mine. But once I've touched her, I want more. I want to worship her all night long. As a business owner herself, Skye's got enough on her plate. I was expecting her to run in the opposite direction when she realizes how complicated my life is. Instead, she does the opposite: making my sister laugh, charming my niece... She completely wins me over. Neither of us expected our attraction to grow until it obscures everything but each other. And neither of us can afford to allow that. But how can we stop now?

**Just One Kiss** Layla Hagen Success. Willpower. Ruthless negotiations. Those are three things that have defined my name - Ryker Winchester. It's what I'm good at. I always get what I want. I was completely unprepared for Heather. She challenges me and melts under my touch. She's a feisty single mom, and I can't get enough of her. The way she gives in to me is intoxicating, but I need more than hot nights and sexy dates. When she introduces me to her daughter, I fall for that little girl hook, line and sinker. No one has ever played me for a fool like that kid can do with a single dimpled grin. I want to keep them both. I want them to be mine to love and to protect. Heather doesn't trust easily, but I'll prove to her that we'll have an incredible future together. I'm Ryker Winchester and I'm relentless when I go after what I want.

**Your Endless Love** Layla Hagen 2018-01-17 I can already see the headlines: "Alexander Westbrook Buries Sorrows In Charity Work." No thanks. I don't want to be another one of those Hollywood actors, all PR and no heart. For me, giving back is the best part of fame, and to use my trip to the group home to get good press would taint that. Besides, my sister's been bugging me nonstop to find something-or someone-to distract me from the failed engagement to my former co-star. Enter Summer Bennett, volunteer at St Anne's and certified believer in happy endings. Spending time with her out of the spotlight is a sweet relief from my typical tabloid-ready life back in Los Angeles. The idea of spending the next two weeks with her is too good to turn down. Her entire body responds to a simple smile from me, and mine is helpless to resist her either. I can't risk my career for a girl. My studio contract doesn't allow it anyways. But I can't keep my hands to myself. Our secret kisses and whispered conversations have sparked a fire we're powerless to extinguish. How can I possibly turn our two weeks into something endless?

**When You're Mine** Layla Hagen 2021-06-06 Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

**Your Fierce Love** Layla Hagen 2017-07-31 They say Blake Bennett is downright irresistible. They're mostly right. I've never had to work too hard to fill my bed. One smile is usually all it takes. I like it like that. With the men of my family dropping like flies into true love and marriage, it's nice to know one of us can still maintain the famous Bennett bachelor lifestyle. Even if they are starting to pressure me to join them. So how has Clara Abernathy managed to resist all my charms? Her sweetness and sass are a lethal combination, and I'm dying for just one taste. Our family has treated her like one of our own for years. After spending her life in group homes, we've given her a place to belong. And after she needs a place to stay, I offer her a literal home next door to me. Yeah, maybe hooking up with me would be crossing a line. Just a little. I know family friends are off-limits. She has professional conflicts on top of it. But she's filling a hole in me I didn't even know I had. Soon I have this bizarre compulsion to make her this happy too. I've always liked bending the rules, but will this be the one that finally breaks me?

**Sweet Victory** Gina L. Maxwell 2017-02-27 Sophie Caldwell might not like asking for help, but help is what she needs if she's going to save her family business from her uncle. Her grandma left one rule for Sophie if she wants to gain sole ownership before she's thirty--get married. Yeah, fat chance of that happening since she hasn't had a boyfriend in years, and now she can't get her uncle off her ass. British-born MMA fighter Xander James has never lost a fight, and he's not about to start now. He's on the brink of a comeback that could make him a UFC champion, but his landlord wants to take away his last chance by shutting down his gym. Hell, no. Fortunately, his landlord's niece has a problem of her own. Time for a proposal she can't refuse. Each book in the Fighting for Love series is a standalone story that can be enjoyed out of order. Series Order: Book #1 Seducing Cinderella Book #2 Rules of Entanglement Book #3 Fighting For Irish Book #4 Sweet Victory

**You're The One** Layla Hagen 2020-02-03 It all starts as pretend... My best friend, and one of the most powerful men in New York, needs my help. Our first kiss is unexpected--but it still makes my skin sizzle, my knees go weak. The next one is in front of his tight-knit family. We have to be convincing. But it's so wicked hot, it almost fools me too. On our first night together, he tells me that I have to keep us both in check, because he doesn't know how to keep the lines from blurring... He touches me like I'm precious, and holds me close... barely stopping his fingers from pushing down the straps of my dress... Our second night is sexy as hell. Intense. Alluring. How am I supposed to not fall in love?

**Found in Us** Layla Hagen 2014-08-06 \*THIS BOOK CAN BE READ AS A STANDALONE\* All Jessica wants - as a college graduate - is to be a good girl. She landed the job of her dreams at a museum and is trying to eliminate temptations. No more short skirts (when she can help it). No wild parties. And no men. She particularly excels at that last thing. . . Until her path crosses Parker's. Again. Jessica remembers the last time their paths crossed very well. She was left with a seriously bruised ego. She knows it would be best to avoid him altogether. But the charming Brit makes it hard for her to elude his electrifying pull. He is as irresistible as he is captivating. And enigmatic. Because underneath the sleek Armani suit and the sweet British accent that makes her crave his touch, Parker isn't the perfect gentleman everyone thinks he is. He's exactly what Jessica doesn't want, but desperately needs. A bad, bad boy. \*No cliffhanger \* This novel is recommended for 17+ due to sexual content and mature themes.\* \*This is book 2 in the series. Logan Bennett, loyal to my family and my company. And that's all. No time for love. No desire for it. Not since my failed engagement. I'm done with romance. Then Nadine Hawthorne waltzes into my life as though she has no idea she's turning everything upside down. She's all, "oh, I'm focusing on my clothing company," and "I can't afford distractions," as though she isn't distracting me from focusing on anything but her. She's sexy, she's captivating. She doesn't believe in love either. Clearly, the best way to get each other out of our systems would be to have a brief fling. We're on the same page about love, after all. Being together is addicting... even if I am suspicious that my family is scheming about us. Our attraction is fiery, and our connection is undeniable. I'm winning her over, and vice versa. What started as a flirtation is soon spiraling into much more than either of us are prepared for. So when a mistake threatens to tear us apart, will we have the strength to hold on?

**Your One True Love** Layla Hagen 2017-11-01 No one thinks "regrets" when they hear Daniel Bennett, but I have one big one. Ten years ago, I let go of the woman I loved. But I never stopped loving her. Not that I'd ever admit that out loud. No one wants to buy an adventure package from a guy who's still pining for the one that got away. But since when has anyone ever successfully kept a secret from my family? My sisters naturally see a golden opportunity to matchmake. And as long as it's with Caroline Dunne, I'll play along. I built my business out of opportunities—I know full well one like this doesn't come along often. Our lives might be going in separate directions, but hasn't that been the case for ten years? The pull between us hasn't changed one bit. She won't let herself fall for me again. I won't let her get away a second time. If it takes everything I have, that's what I'll give. If I've learned anything, it's that when you've found your one true love, you can't give up. But can I convince her to give me a second chance?

**Your Alluring Love** Layla Hagen 2017-05-03 It's hard to be Nate Becker in a Bennett world. But we've always considered ourselves family. I travel the world as a TV producer, never able to spend much time with them. Which might be a good thing. Because my best friend's little sister has never felt like that to me. That sexy little spitfire has always caught my attention. If I don't stick around too long, Sebastian will never notice the way I look at her. But Alice Bennett has other plans. Her new restaurant would be a perfect feature on one of my network's shows. It's almost too easy to set up meetings with her. Invent excuses to need more information. To boss her around the way she seems to like. It's harmless, I tell myself. I'm moving to London in three weeks, I tell myself. I'm not going to upset Sebastian, I tell myself. Famous last words. I can't cross the line with her. We can't jeopardize the family relationships. But between stolen kisses and wicked-hot nights, it's spinning out of our control. When the chance of a lifetime comes knocking at my door, it's time to decide what has more allure—my career, or a chance with her?

**Your Forever Love** Layla Hagen 2016-08-01 I know what people say about me. Eric Callahan, 'The Shark'. I own it. I'm a powerful man. My sharp business sense earned me that nickname. My façade is my armor. Underneath is where I keep the devotion I have for my daughter. Since her mother died, I've devoted my life to her. Expanding my business on the West Coast is one way to ensure I build the legacy she deserves. And that's all I plan to do for our three months in San Francisco. Until I meet Pippa Bennett. I swear, I didn't mean to start flirting with her. It was a complete accident. So was continuing. I can't resist the pull between us any more than I can change the tides in the Bay. We have the same sense of humor, we have chemistry for days, and she's as kind and sweet with my daughter as my family is. This is fast spiraling out of control. She's a divorcee, I'm a widower. Neither of us was prepared to take a chance on love again. Besides, we always had a time limit. But as it grows closer, I can't help but wonder—can I let her go, or could this one be forever?

**Only With You** Layla Hagen I made my name winning cases. Carter Sloane is known for being sharp, astute, and never taking no for an answer. At home, though, I'm fumbling my way through raising my two nieces and saying yes to far too many bowls of ice cream. If only I wasn't so distracted by the woman across from my new office. Running a booming fragrance business gives Valentina Connor a great excuse to avoid dating. But I see right through her. I'm not going to be another bad decision. I can't believe how easily Val slips into our lives, doting on my nieces and making me fall for her. I'd move mountains to make her happy, but with Val's career soaring, how can I ask her to commit to the chaos of my life?

**Fighting For You** Layla Hagen 2019-06-18 I have a lot of titles. Sexiest Soccer Player. Top-Scoring Athlete. America's Favorite Party Boy. But I'm sick of Jace Connor being what other people expect. Starting with the last one, I'm ready to earn some new nicknames. So I absolutely, positively, can't go anywhere near my coach's daughter. Brooke Darringer was warned up and down about my rep as a reformed bad boy when she got hired as sponsorship manager. What no one told her was that all my swagger hides a gentle family man who loves his nieces and nephews even more than soccer. And she likes it. She couldn't be more off-limits, especially as she tries to prove she wasn't hired for her name. I truly want to stay on the straight-and-narrow, but it isn't just her sexy-as-sin body that's tempting me. Her warmth and bubbly personality are everything I never knew I wanted. Brooke is trying her best to keep things strictly professional, but all these late-night gym sessions and covert dinners might just convince her I'm finally done playing.

**Your Irresistible Love** Layla Hagen 2016-01-03 I know what people think when they hear the name Sebastian Bennett. Determined. Ruthless. Head of a business empire. From the outside, I look bulletproof. Behind closed doors, though, family always comes first. My parents. My eight—yes, eight—siblings. Every single one of them nagging at me to settle down and get married. I may be bulletproof, but I can't seem to deflect them. No matter how many times I patiently explain that I don't believe in love. I hadn't counted on

Ava Lindt. Beautiful. Funny. Just as stubborn as I am. It's frankly infuriating. I only hired her as a consultant to make our next jewelry collection launch unforgettable. So why is it thoughts of her that I can't shake? Those curves, that smile... it's irresistible. And completely off-limits. She won't risk her job. I won't risk my heart. But one kiss, one touch at a time, our sizzling chemistry is turning into a deep connection. With her time at Bennett Enterprises drawing to a close, I'll have to decide what I was wrong about—her, or love.

**One of a Kind** Sandi Lynn 2021-10-24 From the New York Times bestselling author Sandi Lynn comes a brand new brothers series you'll want to devour! Sam I made a promise not to sleep with my new personal assistant. Too late. I'd already slept with her before I knew Grayson, my human resources director, hired her. Long story short. We first met at a café when she let me have the last apple turnover. Then I saw her again that same night at a bar. She was incredibly sexy, and she wanted me as much as I wanted her. We both agreed it was a one-time thing, and she left the following day. Imagine the shock on both our faces when she showed up for work on Monday. I wasn't a relationship type of guy and for good reasons. Julia Benton had her own reasons why she wasn't looking to get involved with anyone. So, continuing our sexual relationship was a win-win for both of us. But the more time we spent together, feelings I'd never felt before started to emerge. Then things became complicated, and she quit to pursue her dreams. I knew how much it meant to her, and I didn't care. Now that I'd lost her, I wanted, no, I needed her back in my life, and I would do anything to make sure that happened. Julia He was the sexy and domineering man who wore an expensive suit. A man who cracked the hard shell I'd built around myself for the past four years. I wasn't looking for someone to save me, but Sam unintentionally did just that. Then I was given a chance to pursue my lifelong dream. He tried to stop it from happening by showing me exactly who he was. My only focus now was starting the business I'd always wanted and leave Sam behind in the trail of a disaster he created between us. The problem was: he truly was one of a kind, and I had to use every bit of strength I had to forget him. 18+

**Surviving Raine** Shay Savage 2013-06-01 "There's a moment when it comes to amazing books... where you realize that the book you're reading completely and irrevocably owns you... [Surviving Raine] has that moment." - Ash the Book Snob As the captain of a schooner catering to the elite on the Caribbean Seas, Sebastian Stark does his best to avoid any human encounters. Interacting with people isn't his thing, and he prefers the company of a bottle of vodka, a shot glass, and maybe a whore. There's no doubt he's hiding from a checkered past, but he does well keeping everything to himself... until the night his schooner capsizes, and he's stuck on a life raft with one of the passengers. Raine's young, she's cute, and Bastian would probably be into her if he wasn't suffering from alcohol withdrawal. As the days pass, DTs, starvation, and dehydration become the norm. Even the most closed person starts to open up when he thinks he's going to die, but when she realizes their traumatic pasts are connected, it's no longer the elements that have Bastian concerned. He has no idea how he's going to Survive Raine. "Shay Savage's website almost cockily proclaims that she writes "Fiction with Teeth." HA! Nothing cocky about the truth, my friends. I guarantee, that is maybe the \*only\* accurate way to sum up the dark, unsettling, exciting, unapologetic, fascinating, shocking, frank, graphic, primal, crude, sexy, at times horrific, consistently compelling experience that is Surviving Raine!!" -Elizabeth (Sweptawaybyromance.com) There are moments in Surviving Raine that will make you laugh, make you cry, and make your heart (and other parts) clench. This is one you will definitely want to put on your TBR list! -Kassie and Lauren (fics2flicks.com)
