In addition to structures, there are other ideas and projects for camping and the backyard, like a fire ring (explaining the types of fires, airflow, and safety), the always useful tripod, a travois, a rock garden, and toy boats. 2014-03-20 Hare is always raring to go. He races through the day while the ever-patient Tortoise does his best to keep up. Hare, it certainly seems to Tortoise, has boundless energy. So Tortoise has plans for when it is time for Hare to go to bed - a well-deserved rest with a cup of chamomile tea! And, for the first time in the day, it is Tortoise who is in a hurry. He reads speedily, with one eye on his cuppa. But Hare has other ideas. As far as he is concerned, when it's time for his bedtime story from Tortoise, he is no

longer in a hurry. In fact he wants to take all the time in the world and linger over every picture. After all, some things just shouldn't be rushed! Toddlers will love this simple story, with its cosy farmland setting and lovable characters. And while adults are reading a story that highlights the differences between the energetic and impetuous Hare and the rather more circumspect Tortoise, they will no doubt smile as they recognise the parallels with their own experiences of childcare!

Lessons of a Turtle Sandy Gingras 2009-03-17 Long ago, Sandy Gingras read "The Tortoise and the Hare," a fable that teaches "slow and steady wins the race." But she didn't learn the lesson! Instead she lived the race of hurry-up and do-it-all every day. And it was tiring. But now, Gingras presents readers with a different kind of lesson from a different kind of turtle in the charming book *Lessons of a Turtle*. And it's a good lesson: Go with the slow! Life is about enjoying what's around you now and finding your own path. It's about the beauty of the journey more than the achievement of the finish line. So be like the turtle . . . notice, savor, bask, risk, grow. Put some life back in your life! Gingras helps readers get

through life by using charming "turtlisms" that complement her just-as-cute turtle illustrations. She teaches us about life's little lessons with little treats like, "You can't move forward until you stick your neck out." and "The slower you go, the more you see." The author's little observations make a big difference on the journey through life. This book makes a lovely and inspiring gift.
