**Free** J. Kevin Butcher 2021-04-06 Are you weary? Trying to follow Jesus and be a "good Christian," only to hear the voice of shame whisper, try harder? Good Christians are supposedly known for diligently practicing spiritual disciplines like Bible study, prayer, evangelism, and serving God. Disciplines that are expected, through inspired effort, to conquer sin in us and in the world. The tragedy is, so few Christians understand that we aren't just sinful but wounded. We don't need a list of disciplines. We need a Healer, a Deliverer to come and set us free. Here is the truth: We have a Healer. His name is Jesus Christ. He loves us. His calls us first to own how desperate we are—for him; and then to accept his invitation to abide in his great love. Kevin Butcher points us toward this healing Jesus, who offers us his all-encompassing love. You will find nothing here about lists and shoulds. Instead, you will discover how to fall in love with Jesus and then how to walk with him—not in drudgery, but freedom—abiding in his love. A love that rescues us from drudgery and shame, surrounding us with joy even in our darkest hour. A love so powerful that it births our worship, obedience, and willingness to surrender all to him. Even when hell is at your doorstep, the love of Jesus will surround you, protect you, empower you, and set you free. Because God's love isn't just important to your journey—God's love is everything.

**To Grow in Love** Brian Grogan 2017-01-06 A new revised edition of this popular bestseller. Growing in love is not something we can do on our own; it doesn't just happen to us as ageing does. In our later years, when our hearts and minds are mellowing, perhaps we can imitate God - the same way we imitated our parents when we were young - to grow more fully in his love. Life can be hard, and old age can be very hard indeed. In times of hardship we often ask, "where is God?" God comes to us disguised as a parent, a sibling, friend, teacher, spouse, co-worker, stranger, helper, nurse. In the love and goodness of others, we meet the selfless love and goodness of God. Equally when we show love to others, we show them God's love. This book addresses primarily those who know ageing from the inside, but if you haven't yet entered that strange world, knowledge of its landscape may help you relate more richly to those who have, and help in your own journey towards that "Third Age".

**Revival Culture** Michael Brodeur 2013-01-17 We all want revival. We talk about it, pray for it, and devise every evangelism strategy imaginable. We read about the Great Awakening and recall the Jesus Movement. And today we stand at the precipice of another sweeping spiritual outbreak that could reach the ends of the earth. But are we ready? Revival Culture is an inspirational, biblical, and empowering manual for the next generation of revivalists. Michael Brodeur and Banning Liebscher have been witnessing a spiritual renewal at Bethel Church in Redding, California, and through Jesus Culture, that goes beyond slogans and high hopes to actually reaching. They have learned that transformation happens when we see the unreached as Jesus sees them and when we make revival a part of our lives rather than an event. This is the full picture of revival culture.

**Saint Mary Magdalene** Fr. Sean Davidson 2017-01-31 This work is an extended Eucharistic meditation inspired by the traditional biblical texts associated with the life of St. Mary Magdalene, known as the "Apostle of the Apostles" because the Risen Christ appeared first to her, and she announced his Resurrection to the apostles. It is designed to help readers learn from the inspiring example of Magdalene to enter more deeply into adoration and love of Jesus Christ truly present in the Blessed Sacrament. In telling the story of her profound conversion after a life so steeped in sin that the Lord had to expel seven demons from her soul, this book shows how Magdalene is a shining witness to the transforming power of an encounter with Jesus Christ, an encounter for her which blossomed into a life of adoration, meditation and prayer. Thus she is seen as the perfect biblical model for those who have encountered Christ, and who seek to deepen their life of adoration at the feet of the Eucharistic Lord. Adoration is essentially about love, and in the gospels there are few people who understood love as well as Mary Magdalene. Throughout the book the author draws out her profound secrets of love, through which the adorer can learn how to become ever more pleasing to the Heart of Christ. These pages will help many people find nourishment for their souls and discover anew the timeless figure of the "Apostle of the Apostles." **Satisfy My Soul** Justin Rizzo 2019-01-01 Satisfy your longing for a closer relationship with God. **Lecture on Prayer** Rev. Fred Cato Jr 2021-12-06 Many times, when we are facing difficult situations, we do not know exactly how we should pray, but thank God for the Holy Ghost who comes to our rescue (aid). God's Spirit prays through us. With this divine help from the Holy Spirit, we can intercede even when we don't know what or how to pray. Sometimes the Holy Spirit intercedes through us in our native language by giving wisdom as to how to pray. Other times, the Holy Spirit prays through us in our prayer language. Sometimes prayer is just simply a groan that words cannot express. Prayer changes things - and one of the greatest changes, is the change in the one that's praying. Prayer will change your attitude - it will change your disposition - It will change the way you see things - it will change the way you talk - It will change the way you dress - it will change the way you act - it will change the way you live your life - it will turn your life around 180 degrees. Moreover, it will make you become a new creature. Prayer is the key to God's kingdom.

**DEVELOPING HEALTHY CHURCHES** Kieran Beville 2014-12-10 In an age obsessed with physical and psychological health the author emphasizes the importance of spiritual well-being as an essential element of holistic health for the individual Christian and for Christian communities. This work constitutes a template for a spiritual audit of the local church. It offers an appointment with the Great Physician that no Christian can afford to ignore. Developing Healthy Churches: A Case-Study in Revelation begins with a well-researched outline of the origins and development of the church health movement. With that background in mind the author, aware that throughout the history of the church there have been a number of diverse views about how Revelation ought to be interpreted, presents the reader with four distinct interpretive models. These are the idealist, preterist, historicist, and futurist. Beville explains these interpretive approaches simply and critiques them fairly. Revelation is a complex but intriguing book which presents seven letters to the churches of Asia Minor. However, this easy-to-read work will take readers to the heart of the matter by taking them to the heart of Jesus. The historical and cultural background provides fascinating insights to the meaning of Christ's words to those churches then and to all churches now. The author elicits essential application for the church today. He presents timeless and timely truths in a fresh and forthright manner. The reader is informed about issues of particular historical significance in a way that has contemporary resonance. Here is a work that cautions about complacency, confronts compromise and challenges the carnality of Christians in contemporary culture. Beville tells us not only what Jesus desires from his disciples but also what He demands. Thus, this work presents uncomfortable truth for comfortable churches because it allows the voice of Jesus to be heard with clarity amongst the clamor of church activity. Christians who want to restore their vision and vigor will find this book immensely profitable.

**Not Do But Done (eBook)** Alan Platt 2016-03-01 "We Start At Finish" unpacks the message of the victory that God secured for humanity through one incredible moment of triumph at the cross. Jesus Christ paid a price that was more than sufficient to reposition mankind to live life according to God's original design for man. He redeemed our innocence and restored the glory we lost in Adam. The gospel communicates the desire of Jesus Christ's to showcase humanity as a trophy of His grace! However so many good Christian people continue to live in a way that reinforces the conviction that we are responsible for our own salvation. Man - in his fallen state - is never going to get it right on his own. Performance based, two-faced, ungraced Christianity is debilitating. Our assignment has never been about what we can do for God, but what God has done for us. We really start at the finish. If you as a Christ follower are tired of trying to be good, worrying about eternity and earning your way to Christ's love, this book is liberating. Discovering that you are not an after-thought in God's mind as far as the gospel is concerned changes how you view yourself and places you in a new space of flourishing in the course of living.

**Love The Heartbeat of God for Revival** Dr. Jo Anna Watson 2014-06-11 The end times are upon us and since God is more concerned about redemption than judgment He is calling all people, especially the church, to return to Him in 'first love.' We have been given a commandment to love God with all of our mind, soul, will, and strength, and to love others as we love ourselves. Unfortunately, such love is lacking. Many are crying out for revival, but unless there is a turning back to God with sincere repentance, there will be no substance for the fires of revival to be ignited during these end times. God's love, as does all love, demands a response and He is waiting for your response. When love is returned wholeheartedly, who knows if God will rend the heavens and come down in power, thus ushering in a revival that will blaze through our churches and nations bringing the much needed healing to our lands.

**Extravagant Worship** Darlene Zschech 2004-11-01 "When church historians reflect on the worship revolution that happened around the turn of the 21st century, Darlene Zschech will be credited for playing a major role," Bill Hybels says. These are the words of a woman of God who lives what she writes.
