Once in their new accommodations, Sidney expects the prank war to continue as usual. But then she gets a note—Meet me at midnight. And Asher has a proposition for her: join forces for one last summer of epic pranks, against a shared enemy—the woman who kicked them out. Refresh, Refresh Benjamin Percy 2008-09-04 'The stories in Refresh, Refresh are big-hearted and drunk and dangerous, and there's a heightened, unnerving vibe as you travel through Percy's world. You never know where you will end up ... but you can be sure that he'll actually take you somewhere.' Dan Chaon Here is the United States of today. The young men and boys in this bold, fiery collection do the unthinkable to prove to themselves - to everyone - that they are strong enough to face the heartbreak in this world. The war in Iraq empties the small town of Tumalo, Oregon of fathers, leaving their sons to fight among themselves. There is a bear on the loose, a house with a basement that opens up into a cave and a nuclear meltdown that renders the Pacific Northwest into a contemporary Wild West. Benjamin Percy moves instinctively toward the molten center of contemporary writing, the place where genre fiction ... overflows its boundaries and becomes something dark and grand and perceptive. These stories contain a brutal power and are radiant with pain-only a writer of surpassing honesty and directness could lead us here.' Peter Straub

Not a Cat: A Memoir Winter Miller 2022-03-22 A funny, expansive, affirming story with a powerful message of self-determination for young kids: No one can label us if we do not allow ourselves to be labeled. Our identities are ours to choose and to live. Between his opening greeting and the bookend closing page on which he stalks away after taking no questions, Gato wants to make one thing perfectly clear: Although he has four legs, two ears, and a long, long tail, the word "cat" does not define him. His identity is his alone to describe and determine. With the help of Danica Novgorodoff's laugh-out-loud illustrations, he takes us on a tour of his adventures, accomplishments, and daily activities that makes mince-meat of our first impressions. He wears a sweater and a leash, so is he a dog? He runs in pastures, so is he a horse? He likes flowers, so is he a bee? He swims, so is he a duck? He has flown in airplanes and ridden in subways, so is he a person? Maybe he's all those things, but what he truly is, he wants us to know, is Gato. To underline the story's message of empowerment and self-identity, the back cover and backmatter include photos of the real Gato (Winter Miller's cat) doing everything he claims and more. Signs on walls, headlines in newspapers, New Yorker cartoon homages, and sight gags on every page reward repeated readings and will make this book the first one that parents reach for at bedtime.

The Family Unit Laurence Klavan 2014-08-19 "Wonderfully strange tales—cunningly written—eerie and satiric by turn" from the Edgar Award–winning author of *The Cutting Room* (David Greenspan, five-time Obie Award–winning author). *The Family Unit* and *Other Fantasies* is a superb collection of darkly comic, largely fantastical stories set in our jittery, polarized, increasingly impersonal age. Whether it's the tale of a corporation that buys a man's family; two hysterious survivors of a superstorm who are given shelter by a gullible couple; an erotic adventure set during an urban terrorist alert; or a nightmare in which a man sees his neighborhood being developed and disappearing at a truly alarming speed; these stories are by turn funny and frightening, uncanny, and unnerving. "A masterful, unnervingly funny collection set in a society with no place to hide: in other words, our own." —Irina Reyn, award-winning author of *Mother Country* "Laurence Klavan uncovers the places you didn't know exist, the gaps between everyday life and existential horror, where the disconnect between reality and the weird operates its quiet and subtle magic." —Maxim Jakubowski, author and editor of *The Mammoth Book of Erotica* "Disturbing, surprising, and unflinchingly intimate, Laurence Klavan's stories make the mundane bizarre and are absolutely engrossing." —Danica Novgorodoff, author of *The Undertaking of Lily Chen*

Marika McCoola 2020-06 Russian folklore icon Baba Yaga mentors a lonely teen in a wry graphic novel that balances gleefully between the modern and the timeless. Most children think twice before braving a haunted wood filled with terrifying beasts to match wits with a witch, but not Masha. Her beloved grandma taught her many things: that stories are useful, that magic is fickle, that nothing is too difficult or too dirty to clean. The fearsome witch of folklore needs an assistant, and Masha needs an adventure. She may be clever enough to enter Baba Yaga's house-on-chicken-legs, but within its walls, deceit is the rule. To earn her place, Masha must pass a series of tests, outfox a territorial bear, and make dinner for her host. No easy task, with children on the menu! Spooky and poignant, Marika McCoola's stunning debut—with richly layered art by acclaimed graphic artist Emily Carroll—is a storytelling feat and a visual feast.

Something New Lucy Knisley 2016-05-03 In 2010, Lucy and her long-term boyfriend John broke up. Three long, lonely years later, John returned to New York, walked into Lucy's apartment, and proposed. This is not that story. It is the story of what came after: The wedding. DIY haven Lucy Knisley was fascinated by American wedding culture ... but also sort of horrified by it. So she set out to plan and execute the adorable DIY wedding to end all adorable DIY weddings. And she succeeded. This graphic novel, *Something New*—clocking in at almost 300 pages of humor, despair, and eternal love—is the story of how Lucy built a barn, invented a whole new kind of photo booth, and managed to turn an outdoor wedding on a rainy day into a joyous (though muddy) triumph.

The 47 Ronin Sean Michael Wilson 2013-11-05 Here is the first historically accurate graphic-novel version of a legendary event in Japanese history. In the eighteenth century, forty-seven samurai avenged the death of their master in a plot involving over two years of secrecy. After succeeding in their mission, the masterless samurai all committed ritual suicide. The story, which is a national legend, remains a most potent example of Japan's deeply rooted cultural imperatives of honor, persistence, loyalty, and sacrifice, and of bushido—the samurai code.
